WELCOME HOME

No matter where your move takes you, we understand the importance of feeling at home. Abode Staging will help you make your new home a warm, inviting and safe environment as follows:

- Visit your future home with you and assist you in planning for your new space
- Help you decide which of your furniture and belongings to bring with you
- Figure out what new items you may need
- Work with you to determine your decorating style, color choices and furniture layout
- Assess your safety needs to make your new home safe and accessible
